

**Title: 2023 Summer Analyst, Investment Banking, Renewable Energy**

**Location:** New York, NY and San Francisco, CA

---

**Company Overview:**

CohnReznick Capital is a renewable energy investment bank providing superior advisory services to the sustainability sector. Since 2008, the firm has executed more than 250 project and corporate transactions for renewable energy assets, valued at over \$37.3 billion in aggregate.

CohnReznick Capital is wholly committed to the clean energy transition and delivers exceptional services for financial institutions, infrastructure funds, strategic participants (IPPs and utilities), and global clean energy developers. CohnReznick Capital's team of experts helps clients break through the dynamic and evolving sustainability sector by simplifying project finance, M&A, capital raising, and special situations. To learn more, please visit <https://www.cohnreznickcapital.com>, follow [@CR Capital](#) on Twitter, and connect with us on [LinkedIn](#).

**Job Summary:**

CohnReznick Capital conducts renewable energy project finance transactions with a focus on tax equity, M&A, strategic partnerships and equity and debt raises. Our typical engagements include debt, equity and tax equity capital raising, advisory work and project acquisition. We are looking for someone who shows a genuine interest to learn from our highly experienced team.

As a Summer Analyst, you get first-hand experience working on live deals. You will perform the typical duties of an Analyst with guidance and training from your deal team. Be prepared to hit the ground running as the workload can be demanding. Your experience at CohnReznick Capital will prepare you for a successful career in renewable energy finance.

**Responsibilities include:**

- Conduct industry and project level research
- Contribute to the due diligence process
- Assist team with financial modeling and analysis
- Interact with clients' teams on a regular basis
